

Nutrition and HIV/AIDS

A Training Manual for Nurses and Midwives

August 2008

Nutrition and HIV/AIDS: A Training Manual for Nurses and Midwives is a publication of the East, Central and Southern African Health Community Secretariat (ECSA-HC), the Food and Nutrition Technical Assistance (FANTA) Project of the Academy for Educational Development (AED), and the LINKAGES Project of AED. Technical input was also provided by the Africa's Health in 2010 Project of AED. Funding for the manual was provided by the U.S. Agency for International Development Regional Mission for East Africa (USAID/East Africa).

Or download the manual from www.crhcs.org.tz or www.fantaproject.org.

This manual was made possible by the generous support of the American people through the support provided to the Food and Nutrition Technical Assistance (FANTA) Project and to the LINKAGES Project by the U.S. Agency for International Development Regional Mission for East Africa (USAID/East Africa) and the Office of Health, Infectious Diseases and Nutrition (HIDN) in the Bureau for Global Health (GH) at USAID. Support to FANTA was provided under terms of Cooperative Agreement No. HRN-A-00-98-00046-00 awarded to the Academy for Educational Development (AED). Support to LINKAGES was provided under terms of Cooperative Agreement No. HRN-A-00-97-00007-00 awarded to AED. The opinions expressed herein are those of the authors and do not necessarily reflect the views of USAID.
