The Food and Nutrition Technical Assistance III Project (FANTA) is a 5-year cooperative agreement between the U.S. Agency for International Development (USAID) and FHI 360. FANTA aims to improve the health and well-being of vulnerable groups through technical support in the areas of maternal and child health and nutrition in development and emergency contexts, HIV and other infectious diseases, food security and livelihood strengthening, agriculture and nutrition linkages, and emergency assistance in nutrition crises.

**USAID**  
FROM THE AMERICAN PEOPLE

This presentation is made possible by the generous support of the American people through the support of the Office of Health, Infectious Diseases, and Nutrition, Bureau for Global Health, and the Office of Food for Peace, Bureau for Democracy, Conflict, and Humanitarian Assistance, U.S. Agency for International Development (USAID), under terms of Cooperative Agreement No. AID-OAA-A-12-00005, through the Food and Nutrition Technical Assistance III Project (FANTA), managed by FHI 360. The contents are the responsibility of FHI 360 and do not necessarily reflect the views of USAID or the United States Government.
