

Activity 1. LogFrames: Key Definitions

(15 min. working session, 15 min. large group review)

1. Break into four groups by counting off.
2. Each group should find some space on the floor or on the wall to construct a Logframe using:
 - One set of cards with definitions
 - One set of cards with Logframe terms
 - One set of cards with results statements
3. Working with your team, match the definitions, terms, and results statements.
4. Once all the groups are done, we will gather in a large group to review.
